Letter from E.M.Gawne Esq., I.C.S., Collector of South Kanara No. Ref. C.A-6-2983-33 dated 18th October 1933.

--

Ref: Board's Ref. B.No. 5403-33-1 Land Rev. and Settlement dated 10th October 1933.

The major portion of the Church building lies in S.No. 84/3 of Naravi village which is registered in the name of the Attur church and only a very small portion of it falls in S.No. 84/1. The registration of such a tiny extent as a separate sub division for alienation under B.S.O.24 is not proper.

2. The Parish Union of the Diocese of Mangalore is itself interested in the maintenance of the Church and the burial ground. The imposition of conditions under B.S.O. 24 is, -- therefore, unnecessary. The burial ground will be there as long as the Church exists.

3. When the Parish Union itself volunteers to have the lands assigned on payment of assessment, I am not in favour of recommending the alienation of portions of S.No.84/1 and the whole of S.No. 249/1A for Church and burial ground purposes. It is well known that the Roman Catholic Churches have -- cocoanuts (as in this case) and other fruit trees planted round them, from which some profit will be made. Any condition that the land shall be used for Church or burial ground only, will not be enforceable and so there will not be proper ground for alienating the land revenue.

South Kanara Collector's Office,
Mangalore, dated 2nd October 1933.

From

E. M. Gawne, Esq, I.C.S.,
Collector of South Kanara.

The Secretary to the Board,
Land Revenue & Settlement,

S i r,

Assignment--land--Karkal Taluk--Naravi village--S.No. 84/1 -- 2.82 acres and S. No. 249/1A, 0.06 acre--Parish Union of the Diocese of Mangalore--sanction solicited.

S. Nos. 84/1 and 249/1A of Naravi village are assessed waste Government lands measuring 2.82 acres and 6 cents respectively. About 2 acres of land out of S. No. 84/1 and the whole of S. No. 249/1A have been improved upon by the Vicar of the Church at Naravi by enclosing the plots with a fence and a mudwall respectively and by planting cocoanut and cashew plants. A small portion of the church building in S. No. 84/3 falls in S. No. 84/1. The southeastern portion of S.No. 84/1 is being used as a burial ground. To this portion, the whole of S.No. 249/1A has been added on by a mudwall and is being used as a burial ground. The improvements are reported to be about 5 years old. The Vicar of the Church requests that S.No. 84/1 and the whole of S. No. 249/1 may be assigned in the name of the Parish Union of the Diocese of Mangalore. But as S. No. 249/1B is reported to be fit for reservation for the Depressed Classes, I solicit sanction for the assignment of S. Nos. 84/1 and 249/1A only, in the name of the Parish Union of the Diocese of Mangalore. The owner of the hosagme land S. No. 249/2 objects to the assignment of S.No. 249/1 to the Parish Union. But his objection need not be considered as only

S. No. 249/1A which is in the exclusive enjoyment of the Church is proposed for assignment . The Secretary of the Parish Union is willing to have the assignment of the two plots in the name of the Union.

2. The Parish Union of the Diocese of Mangalore does not own any lands in the village. But in the district, it owns 180.13 acres of land valued approximately at Rs.7858-0-0.
